

# the Word from the WEB

September 3 – 7

## Preamble

This week, our fluency work will all be related to the Preamble of the Constitution of the United States of America. We will learn about this important document, harvest words from it, and practice reading it aloud. Next Monday, October 17, is Constitution Day. We will go to several rooms at Clark elementary and read this to the kids. Please help your child to practice at home, so (s)he will feel at ease reading to those groups. Thanks!

Adding and Subtracting with Regrouping (especially subtracting across zeroes) is tricky!!! If you would like some extra pages for at-home practice, just let me know!

Our practice with Typing has finished, but we will still work on this a couple of times a week, in our room and in the Computer Lab.
